EDUCATION

University of California, Berkeley
B.S. in EECS

ACHIEVEMENTS

Facebook Grace Hopper Celebration Scholarship
Renee Copeland Award
Honors in Mathematics and Honors in Calculus
William W. Olsen Scholarship
Completion of Tutor Training at the Master Level
Outstanding Community Service, AGS
Outstanding Scholastic Achievement, AGS
William C. Miller Scholarship

SKILLS

General

Software Engineering
Project Management
System and Database Design
Event-driven Microservices
Recruiting and Interviewing

Technologies

Python Django
Java SQL
C++ REST
HTML/CSS JavaScript

EXPERIENCE

Robinhood

February 2016 - Present
Software Engineer

Contributing to the democratization of financial system by working with the engineering team to design and build reliable infrastructure, recruiting and interviewing, and keeping Robinhood an awesome place.

Instagram

May 2016 - August 2016
Software Engineering Intern

Led the project to design and implement the typing indicator for Instagram Direct. Engineered the Instagram Direct data fetching Thrift API to enable Facebook internal services, such as Facebook Security team, to access and analyze IG Direct data.

Intuit

May 2015 - August 2015
Software Engineering Intern

Extended QBO admin Java servlets and scripts to support QA clusters testing in AWS. Developed a dashboard to put together QBO admin Java servlets and support tools that help developers and operations access information and solve issues quickly.

UC Berkeley

August 2015 - December 2016
Computer Science Tutor

Held 20 hours of instructional and tutoring sessions weekly to help students understand the course materials and assignments for numerous self-paced computer science courses, such as Data Structures, C++, Java, Python, and C.

UC Berkeley

January 2015 - May 2015
Head Reader

Assisted CS70 (Discrete Math and Probability Theory) students during homework parties and office hours, graded students' homework and midterms, and coordinated the readers and monitored their hours and attendance.

OTHER EXPERIENCE

Lab and Office Hour Assistant Intro to CS	Jan 2015 - May 2015
Computer Science TA and Tutor	Jan 2014 - May 2014
Math and Statistics Tutor	Sep 2012 - May 2014
Tech Coordinator Alpha Gamma Sigma	Aug 2013 - Feb 2014
Treasurer Alpha Gamma Sigma	Aug 2012 - Aug 2013
Publicity Chair American Red Cross	Jan 2012 - Aug 2012
